...dedication

TO THE STUDENTS OF ALAMEDA HIGH SCHOOL

You, yourselves, are the best expression of what is generally known as "spirit". You reveal it constantly—at games and dances, in the shops and classrooms, on the teams and committees, at the plays and rallies. Spirit embraces sportsmanship, with its graceful acceptance of the outcome. It stresses loyalty to the standards which have made our school respected. It means gallantry, enthusiasm, the ability to pull together. With admiration for your superb spirit, this issue of the ACORN is dedicated to you, the students.

• • • foreword

This is your book.

It is a memory book of faces, places, and activities. The pages of this book are not merely paper, but chapters of your high school life — chapters which in years to come will spell out happy memories of nearly forgotten friends — of sports and social events, of styles and customs which now seem very important. From month to month as these events have occurred, another chapter has been written. Now at the end of the school year the last chapter has been completed.

This is your book, your record of the months from September, 1949, to June, 1950.

board of education . . .

DR. WILLIAM G. PADEN
Superintendent of Schools
and Secretary to the Board of Education

The members of the Board of Education are nominated by the Mayor of the City of Alameda and approved and ratified by the City Council. One member is named every year and serves for a five year period. Upon the shoulders of the Board of Education rests the responsibility for the administration of the schools of the City of Alameda. It selects the superintendent of schools and delegates to him the routine administration but retains unto itself the decision in all policy matters. The board meets regularly on the first and third Tuesdays of each month at which time communications are presented to the board for its information, teachers are hired or reassigned and bills are approved and authorized paid.

One of the board's biggest responsibilities is to look to the future in the matter of schoolhousing. At the present moment, as a part of its over-all program, the board has just completed Longfellow School, let the contract for the Woodstock School, authorized calling for bids for the building of Franklin School and is studying plans and specifications for the Otis School and the new Encinal High School, all of which takes not only a keen appreciation of school needs but an understanding of finances and construction as well.

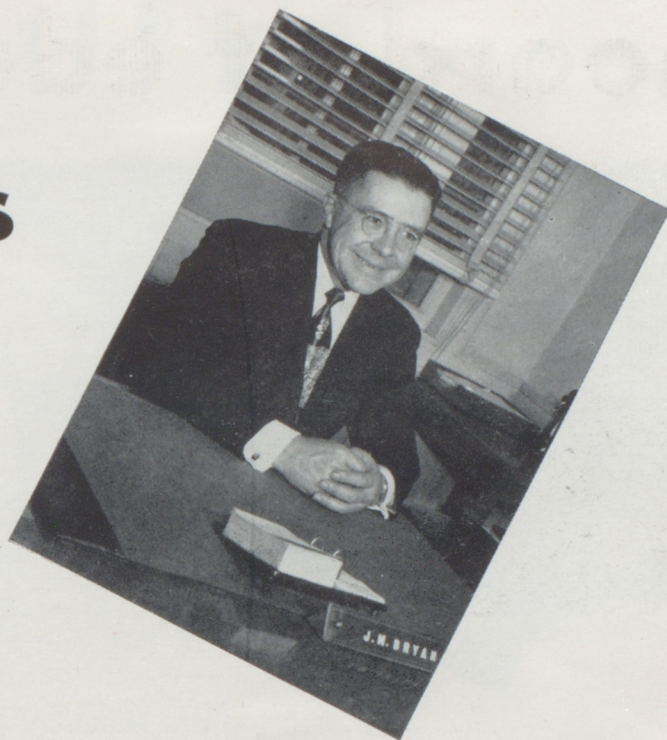

The Board of Education receives no remuneration of any kind whatsoever for its service. The board has only one objective, to provide for the City of Alameda an educational program that will meet the needs of all the children of all its citizens.

Mr. Harry R. Pennell, Mr. A. Hubbard Moffitt, Jr., Dr. Donald D. Lum,
Mr. R. E. Bosshard, Mr. M. C. Godfrey

mr. bryan's message

MR. J. M. BRYAN
Principal, Alameda High School

The 1950 Acorn is dedicated to the students of Alameda High School. I am happy that it is so dedicated because it is your book. My message this year is also to you, the students.

Every day you are developing the personality that you will be ten or twenty years from now. You can be making your character and personality either weak or strong. You can be floundering aimlessly or striking out toward a well planned goal. You can be carving out for yourself a future of failure or of happiness. Analyze your abilities to the end that you may know yourself and decide intelligently what to make of your life. When you have set your goal, work hard to make it come true.

Your personality traits are just as important to your career as are your technical skills. Many reports show that two people lose their jobs because of undesirable personality traits for every one who loses a job for lack of technical skill or knowledge. Most employers place more emphasis upon personal and social qualities than upon technical skill. Try to be confident, optimistic, enthusiastic. Cooperate with your fellow workers, be loyal, sympathetic, and friendly. Be a team worker, not a lone wolf.

We want each of you to have the very best preparation possible for a happy and successful life. We want to help you.

The preparation of a year book such as the Acorn is a difficult task. It takes hours of planning, much hard work in scheduling pictures, in securing ads and in dealing with the firms who do the engraving, printing, and binding. To the faculty advisers, Mrs. Helen Hoeksema and Miss Jean Wilson, to the editor and assistant editor, Bob Zboyovsky and Susan Lum, to the business manager, Sue Hatch, to the art editor, Bob Bechtle, and to the entire staff of the Acorn I extend my thanks and appreciation for a job well done.

TOM WILLIAMS
President

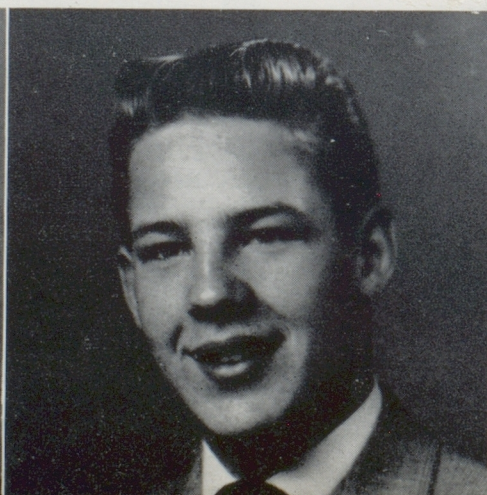

NANCY GRIFFIN
Vice-President

Tommy Williams presided over the student body meetings at Alameda High in the fall of 1949. President Williams' cabinet was composed of vice-president Nancy Griffin, who did an excellent job as head of the Service Panel; recording secretary, Ed DeSilva; financial secretary, Greg Bessemer; and yell leader, Joan MacWilliams, Alameda High's first girl yell leader. Each student body officer did a superb job and proved that the students had made a wise choice in electing him. The student meetings of this term were of a very high caliber; they were both interesting and entertaining.

During the fall term administration of President Tom Williams the student Faculty Committee sponsored some outstanding entertainment in the Thursday student meetings, ranging from the Dave Brubeck KNBC trio in a sensational interpretation of "bop" to the impressively lovely annual Christmas Pageant. Two of the most popular programs featured our own "student talent" and gifted representatives from other schools in the East Bay. Mr. Cummings served as chairman of the committee and Carol Eschen as secretary.

The Ad Board of the Alameda High School is composed of twenty-two members. Six of these members, who are juniors and seniors, are elected from the student body semi-annually. Each class elects a boy and a girl to the Ad Board annually.

Expenditure of all student body funds must be voted by the Ad Board. It decides the amount of money to be allotted to each athletic team, to the president of the student body, to each school organization and to all other school activities.

The Men's and Women's Boards of Control have done an exceptional job this term. Carol Eschen and R. B. Reno served as Chief Counselor of the Women's and Men's Boards of Control; they did an excellent job and proved that they had the qualities of good leaders.

The boards did an excellent job in getting the students to file out of the auditorium in an orderly fashion, and in maintaining silence in the auditorium during each student body meeting.

girls' association . . .

The purpose of the Girls' Association is to promote a stronger feeling of friendship among the girls. Freshman receptions, fashion shows, cake sales, and other activities are planned with this in mind. These activities and two Student Meetings sponsored by the G. A. during the year were very successful. Pauline Maroulas and Rae Worthy were the presidents of the association. The two fashion shows, with twenty to thirty models participating, were managed by Sue Hatch and Sally Decker.

The class of June, 1953, having completed one school year in Alameda High, promises to be one of the most successful classes ever to pass through the portals of Alameda High. Although they have been in high school for only one year, they have made quite a name for themselves. If they continue to match the high standard which they set this year, they will truly be an outstanding senior class in 1953.

ALAMEDA 7 — EL CERRITO 6

In the first 1949 league game, Alameda met the El Cerrito Gauchos, and won an exciting game 7-6. The Gauchos scored first in the second quarter but failed to make the conversion. In the last quarter, the Hornets scored their only touchdown, and succeeded in kicking the game winning conversion.

ALAMEDA 38 — HAYWARD 0

The Hornets from Alameda High trounced the Hayward Farmers 38-0. The Hornets had no competition, and scored almost at will. Alameda High's smooth working backfield, supported by the vicious tackling, and body-bruising blocking of a well coached line, literally plowed the Farmers under with touchdowns and conversions.

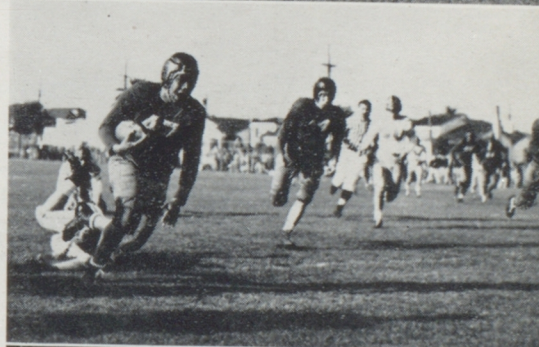

ALAMEDA 13 — BERKELEY 13

In probably the best game of the season, Alameda battled Berkeley to a 13-13 tie. The teams were evenly matched, and the game ended as it should have; Alameda scored 6 points in the first quarter and 7 in the last quarter. Berkeley scored its points in the second quarter.

ALAMEDA 21 — RICHMOND 7

Richmond gave Alameda an early scare by returning the kickoff 98 yards to a touchdown. After one minute of play, Richmond led 7-0. The Hornets, greatly surprised, then settled down, and played their usual good game. Alameda scored 7 points in each of the last three quarters, and won 21-7.

ALAMEDA 24 — PIEDMONT 13

Beating Piedmont, 24-13, the Hornets moved closer to a tie for the ACAL title. The Hornets scored twice in the first quarter and led 14-0 at the half. Piedmont scored twice in the third quarter. A touchdown, conversion, and field goal in the last quarter gave Alameda the victory.

ALAMEDA 28 — ALBANY 0

A 28-0 slaughter of Albany's Cougars ended a very successful season for the Hornets. The Hornets, who were undefeated and once tied, finished the season tied with Berkeley for the ACAL Title, the first ACAL Title for the football Hornets. Coach Socolofsky has done another superb job as football coach.

men's block "a" . . .

This organization is formed to make a common meeting ground for the winners of the varsity blocks. Anyone who has earned a Block "A" may join this organization providing he conforms to the rules of the initiation. The initiation consists of shining shoes and participating in a show which is put on by the Block "A" Society. In the past year, the Block "A" has sponsored the noon movies of the football games. The picnic will put the end to a successful year for the Block "A" Society.

Twelve to fifteen sports are offered each term to approximately one hundred and fifteen girls in the sixth period G.A.A. class.

The G.A.A. holds three meetings each term. Class business is handled and the social part of the meeting is sometimes a G.A.A. talent show; other times it is a program of the modern dance, tumbling, or square dance class.

The Political Convention and elections are held at the last meeting of the term. The results are told at the G.A.A. Spread in the Cafeteria the next day.

MISS MARIAN LOS KAMP
Director

"Junior Miss", directed by Miss Marian Los Kamp, was given by the class of June, 1950, as their senior play. Everett Andrew and Pat Rivers were the manager and co-manager of this humorous and captivating play. Superb directing, hard work by the managerial and production staffs, and excellent acting by each member of the cast, made "Junior Miss" one of the most successful plays ever to be presented in Alameda High's auditorium.

The cast consisted of Todd Meloy, Stan Erickson, Bonnie Tiegs, Barbara Kelton, Marlys Jackson, Norma Hager, Rae Worthy, Bruce Freeman, Earline Garner, Kenneth Demeuse, Curtis Harjo, Roger Bullock, Walter Horst, Dale Lee, Marvin Eberts, Herbert Addison, Morris Kilgore, Franklyn Ross, and George Batcabe.

ADVISER — Mrs. Coffey

The purpose of the Girls' Block "A" Society is to develop leadership and interest in athletics for girls. The society has a scholarship fund to help girls who want to make athletics their career. Membership is attained only after at least two years of hard work. To win the coveted "Block A" a girl must participate in almost every sport offered. The past year, the outstanding activities of the Society were a progressive dinner, Block "A" mock initiation, an ice skating party, and a dinner in San Francisco's famous Chinatown. The dinner was followed by a tour of the "city" inside a city.

The CSF Christmas party, given by the parents of Eugene Volz, a life member, was the big event of the fall term. The spring semester activities began with an opera party in San Francisco to see the "Barber of Seville." On May 6, many CSF'ers and their faculty advisers attended the CSF Student Conference in Redwood City. A week later members of the C.S.F. picnicked in Monterey and Carmel. On May 27, the members hiked to the top of Mount Tamalpais and back to Mill Valley via Muir Woods.

Any student who is on the honor roll is eligible for membership in the "Star and Key Society." Membership for three consecutive semesters entitles the student to life membership in the society and a red seal on his diploma. During the past year, the club, under the sponsorship of Mrs. Courtney Smith, has presented two noon movies, a Christmas party, and two student body meetings.

Any student who is taking, or has taken, French is eligible for membership in the "Cercle Francais." The French Club is one of the oldest and most interesting clubs in Alameda High School. The purpose of the club is to further the interest of students in the French language. Attractive pins bearing the "fleur-de-lis" emblem may be purchased by any member. A very successful flower sale was the club's outstanding activity this year. Part of the proceeds will be used to increase the national scholarship fund for exchange of students between France and America.

The outstanding meeting of "Die Vereinigten Deutschen Studenten" was a Christmas party at the home of one of its members. At the party the students danced, sang songs, played games, had refreshments, and competed for prizes. The German Club also has many serious activities. The members believe that their sending of a C.A.R.E. package to a needy family in Europe was their most momentous activity. Mr. Reuben Spaeth is the capable adviser of the German Club. The club gave a large party in the spring semester, which was the German Club's last semester.

The Spanish Club has held several meetings this year, but the most colorful meeting was the annual Christmas party. This party was given in true Mexican tradition. The members sang Christmas carols in Spanish and played games. The party was highlighted by the breaking of a Pinata, after which, each member became engaged in a wild scramble for the candies and other articles which fell from the Pinata. The Spanish Club is under the sponsorship of Miss Isabel Venard.

Under the leadership of its officers, the Junior Red Cross of Alameda High School has had an active and successful school year. The members made flower containers and ash trays for military hospitals. Two representatives are to be sent to a Red Cross Training Camp during the summer. The encouragement and inspiration of Mrs. Van Orden, Miss Wann, and Dr. Peoples have made the Junior Red Cross an organization which will add greater prestige to Alameda High. It is an organization of which the school should be proud.

As the name Tri-Iota suggests, the club believes in a three point program: to be international in its outlook; to be interracial in membership; and to strive for the intercultural development which comes from the working, studying, and playing of various races together. The main activities of this year have been the collection of many garden seed packets to be added to the fifth national contribution from America to Europe and the provision of Christmas baskets for needy families in Alameda.

THE CHRISTMAS PAGEANT

The captivating 1949 Christmas pageant, presented by the drama and music departments, told the story of the wise men being warned against King Herod. The play featured: Stan Erickson, James Lynch, and Todd Meloy, wise men; Dale Lee, Tom Hale, and Richard Sarafian, shepherds; Herb Addison, King Herod; Bill Lahmann, Joseph; Nadine Yeomans, Mary; Lee Bristow, the Lord's Angel; and JoAnne Anderson, Jo McCarty, Joy Wilson, Margaret Multz, Jackie Lum and Doris Kerns, girls of the King's court.

Artistic dances by members of the advanced class in modern dance, directed by Mrs. Darlene Lee, added new significance to the play. Harmonious singing by the glee clubs and choir completed the production.

This past school year, the present low sophomore class could do no wrong. The class gave two noon movies, which were financial successes, and held two very entertaining class meetings. Excellent scholars, accomplished musicians, and outstanding athletes seem to be the trademark of the class. Having flourished in all that they have attempted thus far, the class is now looking forward to having its Soph Hop next term.

Once again Alameda High's basketball team was one of the best in the ACAL. Though the Hornets finished the cage season in third place, they were always contenders for the ACAL Title. Coach Hank Jones did another superb job as basketball coach; his varsity team, which averaged well over six feet in height, always hustled and fought off defeat to the best of their abilities.

In the first half of the season, the Hornets were practically invincible and tied Richmond's Oilers for first place, but in the second half they slowed down somewhat and had to settle for third place. The team proved themselves to be a credit to the school both on, and off the basketball court.

SPRING 1950

This past year, each student of Alameda High has looked forward to the monthly issue of the school's newspaper, the "Oak Leaf," which is written by members of the journalism classes. The Oak Leaf staff, headed by R. B. Reno during the fall term and by Sally Decker during the spring term, worked very hard and succeeded in making the "Oak Leaf" both an informative and an interesting paper. The staff was helped tremendously by its tireless and industrious faculty advisor, Mrs. Helen Patten, who was always on hand with invaluable advice when it was needed most.

The class of February, 1952, gave their Soph Hop, "Step Ladder Stumble," during the fall term. The "Step Ladder Stumble," managed and co-managed by Angelo Galli and Wanda Giampaoli, was eminently successful; the dance was rather novel because the girls invited the boys and bought the bids. The unique idea worked very well, for more bids were sold for this dance than for any previous Soph Hop. The 3A class also has held one entertaining class meeting and presented a noon movie, which was a financial success, this past school year.

Greg Bessemer, who did an excellent job as financial secretary last term, was elected president of the A.S.A.H.S., and vivacious Sue Hatch proved herself to be capable of handling the all important duties of the vice-president. Ted Craig, serving as recording secretary, kept interesting minutes of each student body meeting, and Phil Leslie, the financial secretary, worked tirelessly to bring the school to its usual status of being 100 per cent for student body dues. Gary Powell did an excellent job as yell leader.

The spring term, with President Greg Bessemer at the helm, has found the Student Faculty Committee meeting, according to long-established custom, every Monday for lunch to plan the assembly programs. The entertainment has been of high caliber ever since "The Three Downbeats" enthralled the student body with exciting instrumental and vocal arrangements at the very first meeting. Paul Desmond, since then, scored a dazzling success with his pantomime and songs. Other stars followed suit. Mr. Cummings occupied the chairman's seat and Rae Worthy kept the minutes.

The Ad Board of Alameda High School has been very active this semester. The board voted unanimously in favor of obtaining robes for the school's choir and the Service Panel, under the auspices of the Ad Board, did an excellent job in keeping students from throwing refuge on the school's campus and on the area near school. The speaker of the Ad Board is elected by the members of the board. The five student body officers serve on the Ad Board with the other 22 members who are elected by the student body and by each class.

Under the leadership of two capable Chief Counselors, Merrill Cudworth and George Read, the Women's and Men's Boards of Control did a fine job during the spring term.

The duties of the Boards of Control are to keep order during student body meetings, to see that the students pass out of the auditorium in an orderly manner, to make sure that the auditorium seats are turned up after each meeting, and to keep students who has no passes out of the halls during class periods .

The low freshman class has made an auspicious debut in Alameda High. Though they still haven't given their first big social affair, from all appearances they have more than their share of talented students distributed throughout their up and coming class. The class of February, 1954, had their first high school class meeting and gave their first noon movie this term. Both the class meeting and the movie were entertaining and successful.

With only two returning lettermen, Coach Lewis Jolley had the difficult task of selecting the larger part of his 1950 varsity track team from the boys who were on last year's B team. As the season got underway, Coach Jolley's team improved greatly; this was the result of helpful instructions from their coach and experience gained at each track meet. Next year Alameda High can look forward to having an excellent track team.

low seven sisters

"Seven Sisters", a comedy directed by Miss Marian Los Kamp, was given by the class of February, 1951. Brooks Key and Helen Zachmann were the manager and co-manager of this hilarious play about the Gyurkovics, a Hungarian mother and her seven daughters. The humor of the play unfolds at a merry pace as Mitzi, one of the seven sisters, has her age changed from nineteen to fifteen and attempts to regain her four lost years.

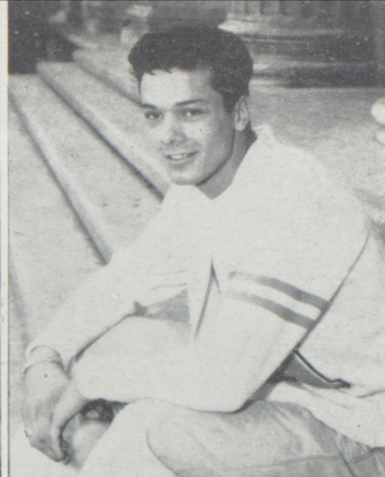

The superb cast included Lois Coffin, Beverly Hewlett, Jackie Casino, Shirley Kilgore, Nancy Cowan, Jeanette Wilson, Joan MacWilliams, Jerry Skaggs, Betty Amsbaugh, Mickey O'Reilly, Gary Powell, Ronnie Cose, Charles McCoy, and Dick Hand.

SCHEDULE

March 30.....Richmond, Host School at Richmond Golf Course.
April 13.....El Cerrito, Host School at Mira Vista Golf Course.
April 27.....Alameda, Host School at Alameda Gilf Course.
May 11.....Piedmond, Host School at Claremont Golf Course.

Although it was one of the school's smallest teams, Alameda High's golf team was among the most interesting school teams to watch in action; not only did they play a good game of golf, but they also seemed to enjoy playing the game. Coach Socolofsky as usual did a superb job as golf coach.

tennis . . .

Alameda High's Tennis Team, well coached by Hank Jones, consisted of practically the same men who were on the 1949 varsity; only one man was lost from last year's varsity. The tennis enthusiasts of Alameda High were justified in looking forward to an exceptionally good year for the racquetteer Hornets.

"April in Paris," the very successful Junior Prom managed by Bill Losee, with the help of co-manager Joan Murray, was the highlight of the high juniors' school year. The prom was a success both socially and financially. Getting their junior sweaters this term was another big event for the class of June, 1951; rust was chosen as the color of the sweater.

Two excellent class meetings with entertainment provided by the talented members of the 3B class and two noon movies rounded out the class' activities.

Play Ball!

With the sound of the old oaken stick against the snow white pellet of horsehide, Coach Chet Millett began his job of choosing his varsity from a large group of hopeful aspirants. Although Coach Millett had ten returning lettermen, it wasn't easy for him to select his first team. As the season started, there could be no doubt that Coach Millett had made wise choices in choosing his varsity; he could always field a team which had experience and an invaluable desire to win.

the red mill . . .

"The Red Mill", by Victor Herbert, was presented as their biennial operetta by the students of Alameda High on the nineteenth and twentieth of May, 1949. The hilarious comedy was superbly produced under the excellent stage and musical directions of Miss Mariam Los Kamp and Mrs. Hazel Hunter. The dances were directed by Mrs. Darlene Lee; the story-back sets and colorful costumes were under the supervision of Miss Edna Reichmuth and Mrs. Dorothy Layton respectively.

The excellent cast was composed of the following: WILLEM, Mickey O'Reilly; TINA Sally McDowell; FRANZ, Dave Henderson; THE BURGOMASTER, Le Roy Cose; BERTHA, Alice Gooding; GRETCHEN, Margie Fisher; CON KIDDER, Greg Bessemer; KID CONNOR, Art Cantor; HENDRICK VAN DAMM, Bob Wagener; COUNTESS, Pauline Maroulas; JOSHUA PENNEFEATHER, Ellis Artis; GOVERNOR OF ZEELAND, Jack Sharer.

With over one hundred in the choruses, a large stage crew and many other students assisting on the managerial staff, this was one of Alameda High School's largest and most successful productions.

senior opportunity . . . day

Senior Opportunity Day has become a traditional activity at Alameda High School. During the day-long program the seniors are given an opportunity to attend discussion groups presided over by leaders in each of thirty fields which have been indicated as of interest and value by the students themselves. In addition to the group discussions there are two general meetings where problems of the future which are of universal interest are discussed by leaders in their respective fields.

Co-Chairmen this year were Leal Mahoney and Bob McShane who have as their assistants Dan Hobbs, Kennon Golightly, Bonnie Tiegs, Don Day and Jean Van Landingham. The theme for the day was "Now Is The Time".

The class of June, 1952, which is now the high sophomore class, gave their excellent Soph Hop this term. The highly successful Soph Hop was the most outstanding event, both socially and financially, to the 2B class. The class held two interesting and entertaining class meetings and gave two noon movies; these activities completed the second successful school year for the 4B class of June, 1952.
